

Cooperative Access to Responsible Eating Student C.A.R.E. Packages 2015-2016 Academic Year

Just Food Co-op is proud to offer a CARE package program to college students who attend St. Olaf College or Carleton College. The Co-op commits to delivering CARE packages monthly. CARE packages are delivered during the third week of the month (typically on Thursdays). Expect extra special care packages to arrive during exam weeks at the college.

Just Food will deliver the CARE package to the mailroom at the college and a note will be placed in the student's box letting them know that the CARE package has arrived. Parents, students, friends, whomever are welcome to participate in this program and the Co-op will make a monthly delivery to St. Olaf and Carleton.

Some items that might be found in the care packages:

- ❖ Quick and easy snack or meal options
- ❖ Organic apples, local when in season and available
- ❖ Bulk Granola, Nuts, Yogurt Covered Pretzels
- ❖ Crackers or chips
- ❖ Ready to heat soups
- ❖ Granola or energy Bars
- ❖ Healthier alternative energy drinks, teas, coffees

We will be sure to provide a variety of delicious and nutritious (and sometimes just plain fun) treats to your college student each month. Our products are free of artificial dyes and all the extra 'stuff' you don't want your student to have. We've got the brain-power foods that can help them push through the night studying and writing papers!

We will help you get good, quality, nutritious foods to those special college students in your life. If you are ever in need of something for your student, please don't hesitate to contact us. We're glad to help in any way we are able!
